*Re: Request for Rehearing concerning Variance Application of Leon Haydon for a 24' x
24' Garage on Tax Map 252, Lot 23, Winaukee Road*

Dear Attorney Boldt:

This letter is formal notification to you that at their regular meeting held on June 15, 2016, the Zoning Board of Adjustment considered your letter requesting that a motion to rehear the subject case be made. The Board voted 4 to 1 to grant your request for a motion to rehear the case based on their discussion and the hearing date will be scheduled once we receive your new application. The condition for the scheduling is to allow time for council to review the file prior to the hearing.

If you have any questions or comments in this matter, please contact me at 476-2347.

Yours truly,

Robert H. Stephens
Chairman
